To Our Visitors

WELCOME! THANK YOU FOR VISITING THE ST. LOUIS DISTRICT, U.S. ARMY CORPS OF ENGINEERS. We hope your stay with us will be safe and enjoyable and that you will come back and visit us often.

This beautiful area is part of several thousands of acres of lakes, river pools, and lands as well as hundreds of miles of waterways that we manage for you. They offer a wide diversity of unparalleled opportunities for an exceptional outdoor experience here in the "Heartland of America". Activities range from hunting and fishing to water sports to the contemplation of a beautiful sunrise or sunset in a spectacular natural setting.

Our CORPS OF ENGINEERS TEAM deeply appreciates the opportunity to be of service to you and to our "nation". We have assembled a highly qualified team of professionals who are here to ensure your visit is a safe, pleasant experience. Please take a few moments of your stay with us to get to know them. You will be glad you did.

A variety of publications have been provided to assist you during your visit. We ask that you familiarize yourself with our rules so that you as part of our TEAM help us administer and preserve this splendid resource for generations to come. WE NEED YOUR HELP!

Please park and camp only in designated areas. You may gather deadwood and driftwood from the ground, but please do not cut any standing trees or bushes, alive or dead. It takes generations to replace them. Assistance in these areas adds up and is of enormous help in reducing our expenditure of funds. THANK YOU!

The St. Louis District hosts millions of visitors annually. Regretably accidents occur each year. PLEASE BE EXTREMELY CAREFUL, especially around water, on trails and near bluffs or steep areas. We want the opportunity to serve you for years to come. One careless moment can result in a lifetime of regret. PLEASE HELP US CARE FOR EACH OTHER.

If you have any suggestions, questions or comments please contact the Park Manager, or call my Natural Resource Management staff (314-331-8622) or write me at 1222 Spruce Street, St. Louis, Missouri 63103-2833. If you have compliments for our TEAM I would appreciate your taking the time to pass them on personally to our folks. They will appreciate it and so will I.

We are here for one reason - to serve you and our nation! Our motto, "ESSAYONS", means "LET US TRY". We will! Come again soon and tell your friends about this wonderful public resource.

Sincerely,

James E. Corbin

JAMES E. CORBIN
Colonel, CE
District Engineer

Visitor Regulations

The following regulations are in effect for all U.S. Army Corps of Engineers St. Louis District Projects as authorized in Title 36, CFR 327.12a. "The District Engineer may establish and post a schedule of visiting hours and/or restrictions on the public use of a project or portion of a project."

General

1. The operation of powerless flight devices including, but not limited to sail planes, gliders, balloons, body kites, and hanggliders is permitted. Powerless flight devices shall not be operated on any part of the dam, roads, bridges, or over beaches or other heavy use areas.

2. All waste water must be collected in a container and disposed of in authorized disposal facilities. In primitive areas where sanitary facilities are not provided, human waste must be buried 100 feet from any body of water and/or campsite.

Alcohol Consumption

3. Each year there are a number of alcohol-related accidents at Corps facilities. Please drink responsibly and do not drive, swim, or operate a boat while under the influence of alcohol. Your safety is our concern!

4. Restrictions on alcohol consumption at Wappapello Lake are as follows:

Alcohol is prohibited from the sand and water portions of the Peoples Creek, Redman Creek, and Rockwood Point swimming beaches. Open containers of alcohol are not permitted in parking lots of Peoples Creek Recreation Area, Redman Creek Recreation Area, Eagle Point Recreation Area and Rockwood Point Recreation Area.

Beach

5. All glass, metal containers with removable pop tops, and other dangerous objects, including lawn darts and horseshoes, are prohibited on the sand and water portion of swimming beaches.

6. To avoid unsanitary conditions on swimming beaches, all food, pets and other waste materials are prohibited from the sand and water portion of swimming beaches.

Camping

7. A responsible adult must register and pay fees (except in free campgrounds) within a reasonable time after a camp is established or when the fee booth opens. Check out time is 5:00 p.m.

8. Camping fees will be assessed on a camping unit basis. A camping unit is defined as a self-propelled mobile camper, a pickup camper, or a travel trailer with its towing vehicle (which may be a pickup camper or self-propelled mobile camper), or one tent. One additional tent may be added to any camping unit at no extra charge.

The maximum number of campers per site is eight. The number of camping units per site is limited to the number that can be safely and properly placed on the campsite.

Other camping equipment which does not meet any of the above definitions but is the sole transportation and/or sleeping equipment brought by the camper will be considered one camping unit (examples: automobile, bicycle, hiking equipment, sleeping bag, etc.).

9. Campground roads and facilities are to be used by registered campers and their visitors only. Roads are open only to licensed vehicles and licensed drivers. Interfering with, or restricting the use of the shoreline by boaters or other lake users is prohibited.

10. All wheeled vehicles, including but not limited to mopeds, minibikes, boat trailers, motorcycles, and other vehicles, must be kept on camping pads registered to vehicle users or in designated parking areas. All motor vehicles must be parked lengthwise on the camp pad except at sites with irregularly shaped pads. Parking on the grass, roadside or obstructing traffic is prohibited. Empty boat trailers may be stored on the grass provided that they are moved onto and off the grass by hand.

11. Picnic tables and lantern holders must remain on gravel surfaces at campsites with gravel impact areas.

12. To avoid tree damage, hanging lanterns are to be suspended a minimum of 8" from the side of trees and 24" from overhead limbs. Do not drive axes, nails, or other objects into trees.

PICNIC SHELTERS—Picnic shelters may be reserved for $25.00 per day. In addition, two smaller shelters are available for reservation at Peoples Creek for $15.00 per day. Reservations may be made by telephone, letter, or in person, AT LEAST ONE WEEK IN ADVANCE. No reservations will be accepted before January 15 each year. When shelters are not reserved they may be used free of charge on a first come, first served basis.

ATHLETIC FACILITIES—Basketball court, tennis court, and volleyball courts in the Redman Creek Day Use Area; and volleyball courts in the Eagle Point, Spillway, and Greenville Day Use Areas may be used free of charge.

AMPHITHEATRE—The amphitheatre in the Spillway Day Use Area may be reserved for non-profit special events. Reservation fee is $25.00 per day.

TRAILS

PINE RIDGE NATURE TRAIL—This trail is located at the Spillway Day Use Area. This scenic one-mile, double loop trail offers views of the lake, dam, gatehouse, spillway, and the St. Francis River. A trail guide is provided.

LOST CREEK NATURE TRAIL—Travel FIVE miles north of the dam on HIGHWAY D, then left on PISOS POINT ROAD. Follow the signs. This one-mile, single loop trail borders the LOST CREEK WATERFOWL REFUGE and features scenic lake overlooks, wildlife viewing, and native wildflowers. A trail guide is provided.

OZARK TRAIL—Travel 22 miles north of the dam on Highway D, then 5 miles north on US Hwy 67, travel 5 miles west on State Hwy 34, then 5 miles north on State Hwy 143. The trail head is located at PA 48. This four mile portion of the trail in addition to an eight mile portion below Hwy 34 Bridge west of the St. Francis River provides scenic routes for hikers, backpackers, and equestrians as they meander through the beautiful foothills and river bottoms of the Ozarks.

JOHNSON NATURAL AREA BACKPACK TRAIL—Located EIGHTEEN miles north of the dam on Highway D, this five mile trail provides access for backpacking, primitive camping, wildlife observation, and scenic overlooks. Camping is allowed at two designated sites along the trail. A trail guide is provided.

GREENVILLE HISTORIC TRAIL—Located at Greenville Recreation Area off Highway 67. The trail is referred to as "Memory Lane". Sidewalks run through the Recreation Area and along the streets in which the town of Greenville once stood.

CAMPING

Camping is permitted only in designated areas. Fires are permitted in grills and fire rings. Camp sites are available on a first come, first serve basis unless reserved.

CAMPSITE RESERVATIONS—Greenville campsites 26-111, Redman Creek campsites 40-109, and Peoples Creek Group campsites 38-57 may be reserved 1 April through 31 October by contacting the Campground. Upon arrival, a $1.00 charge will be added to your camping fee. Reserved campsites will be held until 8 p.m. unless other arrangements are made.

GROUP CAMPING—Group camping is available at Peoples Creek Group Campground. Advanced reservations are required. The minimum group camping fee is $30.00 per night for 5 sites. Additional sites are available at $6.00 per night. When not reserved, Peoples Creek Group Campground is available on a first come, first served basis. Youth and disadvantaged groups receive a 50% discount.

PRIMITIVE CAMPING—Primitive camping is allowed at Blue Springs, Sulphur Springs, Lost Creek Landing, Possum Creek, Snow Creek Access Area, designated parking areas and designated sites within the Johnson Tract National Area.

Additional areas include all federal public lands along the river portion of the Wappapello Lake Project (between Sam A. Baker St. Park and the junction of U.S. Hwy 67) and two large islands on the southern end of the lake. No camp pads, electricity, tables or drinking water are provided.

In areas where trash containers are not provided, all trash must be carried out and disposed of in an approved method or location. Where sanitary facilities

are not provided, human waste must be buried at least 100 feet from campsites and/or any body of water.

Camping must be within 100 feet of the parking area and fires contained in a grill or fire ring. Fires may be constructed on gravel bars, however, users must extinguish fires and remove debris before leaving campsites. Fires will not be permitted when the fire hazard is high.

All motorized vehicles must remain on designated roadways. Campers are required to register at either the Wappapello Lake Management Office or at the Greenville, Redman Creek, or Peoples Creek Campgrounds. Park Rangers will conduct patrols to ensure camper registration and to register those who have failed to do so.

Camping regulations listed in Title 36, Code of Federal Regulations part 327.12 (a) apply in these primitive areas. Camping at one or more sites is limited to 14 days.

MARINAS

The Corps of Engineers has commercial lease agreements with six marinas on the lake. The marinas provide a variety of services to the lake visitor. Boat rentals, gas, bait and tackle, fishing licenses, launching ramps, supplies and groceries, ice, camping and lodging services are provided at most of the marinas.
